

MUNICIPALITÉ DE
LAC-TREMBLANT-NORD

**In order to avoid errors prejudicial to both parties, you must provide all the requested documents.
Otherwise, the request may be delayed or rejected.**

Any request subject to PIIA is assessed by the Planning Advisory Committee (PAC) and by Municipal Council, see section 4.

Prior to your request, we invite you to contact the municipal inspector to ensure that your project complies with regulatory requirements.

SECTION 2 : IDENTIFICATION OF SITE

Description: _____

SECTION 3 : DOCUMENTS AND INFORMATION TO INCLUDE

The application must include the following documents and information. In order to avoid prejudicial errors to both parties, you must provide all required documents. Failure to comply may result in the delay or rejection of the request.

- 1) A plan signed by an engineer and indicating:
 - a. Plan and profile (including access routes);
 - b. Materials used, class and dimensions;
 - c. Location and construction details of stops;
 - d. Lines of natural water (low water, high water, floods);
 - e. Clear height below deck;
 - f. Natural profile of the stream and the banks up to fifteen (15) meters from the high water mark on either side of the stream;
 - g. Permanent or temporary interventions in the ten (10) meter stream upstream and downstream of the bridge, as well as in the fifteen (15) meter area mentioned above;
 - h. Shoreline modifications (if applicable) slope, materials;
 - i. Surface repair.
- 2) If the bed of the watercourse is publicly owned, a lease must first be obtained from the MDDEFP water domain service;
- 3) If the watercourse is considered navigable within the meaning of the Navigable Waters Protection Act, prior approval from the Canadian Coast Guard must be obtained.

SECTION 4: RELEVANT DOCUMENTS PERTAINING TO BY-LAW 2013-006 P.I.I.A. (PLANS D'IMPLANTATION ET D'INTÉGRATION ARCHITECTURALE):

Subject request:

- *The subdivision of land, applicable to the areas covered by PIIA-02 - Mountain summits and slopes and PIIA-03 - Wildlife corridor;*
- *The construction of a new building;*
- *Any expansion of an existing building;*
- *Cutting of tree (s), applicable to the areas covered by PIIA-03 - Wildlife corridor;*
- *The establishment and modification of a sign;*
- **Any work having an impact on the exterior visual appearance, in particular, landscaping, installation of the electrical network, backfill, excavation, fence, wall, swimming pool, spa, fixed mechanical equipment.**

Documents required for the study of the request:

Any request for approval of a site planning and architectural integration plan must be submitted in three (3) hard copies and one (1) computer copy to the designated official and must include the following information and documents in addition to the documents required by the regulations on permits and certificates.

- o The name and domicile of the owner or his authorized representative;
- o The name and address of the professional (s) who worked on the preparation of the plans and documents;

MUNICIPALITÉ DE LAC-TREMBLANT-NORD

- o The cadastral identification of the existing land (s), dimensions and areas;
- o The date, title, geometric north and scale of the plans;
- o The natural characteristics of the land (watercourse, swamp, wooded area, etc.), if applicable;
- o Any other document required by these regulations;
- o The plan for dividing up or setting up a new construction;
- o The current state of the land and the planned development;
- o An architectural sketch of any proposed building or a photograph of the existing building as the case may be;
- o Photographs illustrating the relationship between the proposed buildings and those nearby, if applicable;
- o The sample of coating materials used, the main characteristics and colors, in the case of a planned building or a building whose exterior coating is modified;
- o A forest-wildlife development plan, for structures in zone Va-17 subject to PIIA-03.

Any other information deemed necessary to assess the request.

Permit fee: \$ 100 (non-refundable)

NOTICE : PLTN will bill owners who must use the boat launch to mobilize and / or demobilize equipment needed for the work.

I the undersigned _____ declare hereby the above information to be complete and accurate.

Signed at _____ this _____
