3. Bylaw Presentation:

→ ***Bylaw n°2023-02 modifying Bylaw n°2021-02 regarding zoning to prohibit the additional usage to habitation « Tourist accommodations in main residences » throughout the municipality.***

- As of March 25, 2023, the provisions of Bill 67 will allow property owners to rent out their main residence on a short-term basis throughout the province without being prohibited by municipal bylaws. Municipalities will, however, be able to prohibit or limit the supply of tourist accommodation (Airbnb type) in a main residence in certain areas of their territory, subject to an appropriate referendum process. Our municipality already prohibits short-term rentals (less than 31 consecutive days), and the adoption of Bylaw 2023-02 serves to maintain the prohibition of short-term rentals throughout the territory.

4. Question period;
5. Closing of meeting.

**NOTE: Council meetings are public and held at 144, du Couvent Street, Mont-Tremblant (village)**
