

MUNICIPALITÉ DE
LAC-TREMBLANT-NORD

OBJECT : Referendum Registration : Prohibition of short-term rental for a Principal Residence

Hello to all,

As you are now aware, the municipality is continuing the process of adopting bylaws prohibiting short-term rentals in primary residences throughout the territory of Lac-Tremblant-Nord. It should be noted that the amendments to the previous bylaws already prohibited short-term rentals (30 days or less) in our municipality.

Compared to the usual process for bylaw changes, the process for the short-term rental bylaws is much more cumbersome than usual.

First, at the March 11 Council meeting, a general bylaw was adopted to prohibit short-term rentals in principal residences. Secondly, following this adoption and in accordance with the Law, 25 separate bylaws for each of the 25 zones of the municipality were adopted at the April 8 Council meeting.

Registration Procedure - Referendum Register

The 25 adopted bylaws being subject to a referendum approval, any qualified voter having the right to be registered on the referendum list may request that one of these bylaws be the subject of a referendum vote by entering his or her name, address and capacity and by affixing his or her signature in a register opened for this purpose.

To this end, by law, 25 separate referendum registers, one for each adopted bylaw, will be **accessible only from 9:00 a.m. to 7:00 p.m. on Friday, April 28, 2023, at the municipal office located at 2044-2 chemin du Village, Mont-Tremblant, J8E 1K4.**

The results of the registration process will be announced following the closing of the registers.

To sign a referendum register, each citizen must reside in the zone concerned by the bylaw or in one of the zones contiguous to it.
