**QUESTIONNAIRE TO COMPLETE ON MINING ACTIVITY IN QUEBEC (BEFORE MAY 19, 2023)**

Hello to all,

As the Government of Quebec needs to know the opinion of the population regarding mining activity in Quebec, the municipality strongly encourages citizens to respond to a questionnaire set up by the ministère des Ressources naturelles et des Forêts to that effect.

This questionnaire, created as part of the [participatory process on the harmonious development of mining activity](#), is the best tool to express your opinion, your concerns and your proposals on mining activity in Quebec.

Moreover, by answering the questionnaire, you will have the opportunity to have a direct impact on the outcome of this participation process.

→ **The online questionnaire is available until May 19 at 11:59 PM and takes about 15 minutes to complete. It can be accessed at the following link : [Web Questionnaire - Mining Activity](#)**

The information collected in this questionnaire is confidential and will not be disclosed or distributed.

Thank you for your cooperation!
