Hello to all,

As was the case in previous years, *Table Forêt Laurentides*, in collaboration with the MRC des Laurentides and the ministère des Ressources naturelles et des Forêts (MRNF), is providing **250 free tree seedlings for the citizens of Lac-Tremblant-Nord.**

The seedlings will be available for pick-up at the PLTN Marina on Friday, May 12 from 3 PM to 5 PM and on Saturday, May 13 from 10 AM to noon.

In anticipation of the pick-up, here are the species and quantities that have been allocated to our municipality:

- White Spruce - 50
- Red Oak - 50
- Red Maple - 50
- Yellow Birch - 50
- Black Cherry - 50

For information purposes, descriptive sheets (unfortunately only available in French) for each of the species offered are available at the following link: <https://www.tableforet.ca/maf-fiches-des-arbres>

During the pick-up day, please note :

- The distribution will be made on a first-come, first-served basis at the PLTN marina until all seedlings have been distributed;
- A limit of 5 seedlings per person will be imposed due to the limited quantity.

Thank you for your cooperation!
