REMINDER : Saturday, June 17 - Environment Day and information session (LTN's Protected Area project)

Dear citizens,

We would like to remind everyone that the municipality will be holding an **Environment Day** on **Saturday, June 17, from 10 AM to 2 PM, at the PLTN marina (454 Chemin de Lac-Tremblant-Nord).**

Despite weather conditions forecasting the possibility of rain (less than 1 mm), THE EVENT WILL BE HELD THIS SATURDAY, JUNE 17.

EVENT SCHEDULE

→ **10 AM – 11h30 AM : Information session - Lac-Tremblant-Nord Protected Area project**

→ **11:30 AM – 2 PM : Start of the Environment Day activities**

- **Information booths on site** (Éco-corridors laurentiens, SÉPAQ, Sûreté du Québec (SQ), Ville de Mont-Tremblant Fire Department) to discuss with our citizens good environmental practices to adopt, and the importance of protecting biodiversity;
- **Activities for children;**
- **Prizes for children and adults** will be drawn among participants;
- **A FREE BBQ** will be served for the occasion (Hotdogs, hamburgers and vegetarian options).

At the event, **if you are a PLTN member, you can use the marina's parking lot. Otherwise, in order not to overcrowd the marina's parking lot on this busy weekend, we would ask that you please park your car along chemin de Lac-Tremblant-Nord.**

We will provide limited seating at the event, but for citizens who wish to sit outside, we would encourage you to bring a folding or camping chair if you have one.

We hope to see many of you at the event!
