Lac-Tremblant-Nord

Communiqué

Oversized item collection – Containers from the MOBILE ECOCENTER at PLTN and lake Bibite (July 28 to July 31st)

(Lac-Tremblant-Nord, July 14, 2023) - The municipality would like to inform its population that the **large containers from the MOBILE ECOCENTER for the collection of oversized items will be installed from July 28 to July 31st at the PLTN and lake Bibite marinas.**

→ It is important to remind everyone that the use of the Mobile EcoCenter containers is reserved solely for the collection of oversized items from the residences of the citizens of Lac-Tremblant-Nord and that the deposit of construction materials from commercial construction projects is prohibited.

→ **For information purposes, here are the accepted and refused items for the Mobile EcoCenter :**

- **ONLY THE FOLLOWING ITEMS ARE ACCEPTED:** Metal, mattresses, construction, renovation and demolition waste, household or garden furniture, tables, chairs, couches, mattresses, box springs, beds, desks, bookcases, tables and shelves. Non-halocarbon appliances: stove, dishwasher, washer, dryer, water heater.
- **ITEMS NOT ACCEPTED:** Household hazardous waste, electronics*, tires, household waste and appliances containing halocarbons.

**In order to dispose of your electronic devices, a drop-off point for the electronics recycling program « Les Serpuariens » is located behind the Centre électronique de Saint-Jovite (1208, rue de St-Jovite, Mont-Tremblant).*

→ Other items that are refused for the Mobile EcoCenter can be brought to a regular ecoCenter. For the address and schedule of all the ecoCenters of the MRC des Laurentides, please visit traideviedurable.com/ecocentres

Thank you for your collaboration!
