Registration - Lac-Tremblant-Nord's automated emergency alert system

(Lac-Tremblant-Nord, July 24, 2023) - Following the major weather events of recent years, **Lac-Tremblant-Nord residents can now register to an automated emergency alert system in the event of emergencies.**

Examples of emergencies:

- Evacuation notices
- Road closures
- Natural disaster
- Flooding

By registering to the municipal system, you can be informed quickly, in the event of an emergency or major force, on your home phone (landline), on your cell phone, by e-mail or by text messaging (SMS/text).

System registration

To register for this **FREE SERVICE**, simply fill out the short information form available at the following link: **Alerts and mass notifications - Municipalité de Lac-Tremblant-Nord**

When you register*:

- You can customize the types of alerts you wish to receive;
- Depending on the types of alerts selected, a message is sent to the citizens on the list;
- When a subscriber is unable to answer the phone, a message is left in their voice mailbox (if applicable);

  *The data collected will be used exclusively for the Lac-Tremblant-Nord alert service and will remain confidential.
