

Residential Prevention Program - Ville de Mont-Tremblant Fire and emergency services

(Lac-Tremblant-Nord, Monday, July 31, 2023) - Please take note of the following message from the [Ville de Mont-Tremblant Fire and emergency services](#) :

~

(Translated from French)

Firefighters come to your visit this summer !

From June to the end of September, firefighters from the *Ville de Mont-Tremblant Fire and emergency services* will be knocking on your door for a visit focused on prevention, fire safety and preparing you and your family for the first 72 hours of an emergency situation.

Visits will take place in Lac-Tremblant-Nord from August 7 to August 13, 2023, Monday to Friday, between 9 AM and 8:30 PM, and between 9 AM and 5 PM on Saturday and Sunday.

Visits last approximately 10 minutes.

The firefighters, duly identified with an ID card, will check that the smoke and carbon monoxide detectors, as well as the portable fire extinguisher, are working properly.

They will also verify to see if your civic address is clearly visible from the street, and if you have an evacuation plan that includes an assembly point known to all family members.

For further information on this prevention program, citizens are invited to contact the prevention team at preventions@villedemont-tremblant.qc.ca.
