

Municipalité de
Lac-Tremblant-Nord

Communiqué

Thank You to Our Citizens – Participation to the 2023 Regatta

(Lac-Tremblant-Nord, August 9, 2023) - On behalf of our administration, Council and the Regatta Committee, we would like to thank everyone who came to the Regatta last Saturday, it was a great moment for our small community to come together and we had a fantastic turnout.

As you probably already know, our municipality is lucky enough to be able to count on many volunteers to help with the organization of the Regatta, and we would like to express our gratitude to everyone who helped in making this Regatta an event to remember.

To that effect, we would like to congratulate once again M. Russell Goodman and Mrs. Sarah Ellwood on winning this year's *Lac-Tremblant-Nord's Volunteer Award* !

Thank you once again for your presence and participation to the Regatta, we already look forward to next year's event !

Kim Meyer and the Regatta Committee
