

Registration - Lac-Tremblant-Nord's automated emergency alert system

(Lac-Tremblant-Nord, September 21, 2023) - The municipality would like to remind everyone that the **citizens of Lac-Tremblant-Nord can now register to a mass alert system to receive automated alerts in the event of an emergency.**

Following the recent major weather events, it is important to register for this mass alert system to be well informed in the event of an emergency situation.

Examples of emergency situations:

- Evacuation notices
- Road closures
- Natural disaster
- Flooding

By registering with the municipality's system, you can be informed quickly in the event of an emergency by phone (home (landline) or cellphone), email or text messaging.

System registration

To register for this **FREE SERVICE**, simply fill out the short information form available at the following link: [Alerts and mass notifications - Municipalité de Lac-Tremblant-Nord](#)

When you register*:

- You can customize the types of alerts you wish to receive;
- Depending on the types of alerts selected, a message to confirm your registration will be sent to you;
- When a subscriber is unable to answer the phone, a message is left in their voice mailbox (if applicable);

**The data collected will be used exclusively for the Lac-Tremblant-Nord alert service and will remain confidential.*
